TO

The Financial Secretary to the
Government of His Highness the Maharaja
of Mysore.

SIR,

In forwarding herewith a copy of the circular No. 14 dated 12th April 1924, from the Comptroller regarding the compulsory insurance on the lives of the inferior servants drawing a pay of over Rs 10/- I have the honour to state that there are only 15 persons in this office who are below the age of 45 and are therefore eligible for insurance under Rule 6 of the Mysore State Insurance Rules. Out of the 15 eligible, one is 44 years old, one is a Woman aged 41, one has insured in the Public Branch and one is on probation, leaving only 11 others. These 15 persons when called upon to submit their proposals for insurance represent their inability to pay Re 1/- for premium and pray for exemption in consideration of:

1. Low salary each is getting
2. Heavy house rent
3. Abnormal prices of foodstuffs, firewood, clothing etc.
4. Maintenance of large family in a place like Bangalore.

In view of the above representation, I consider that it will be a real hardship to these menials if they are made to effect insurance and I beg to recommend that in their case Insurance may be made optional; early orders of Government

on

P.T.O

on the matter are solicited.

I have the honour to be,

Sir,

Your most obedient servant,

A. Sudam
Offg. Director,

T.C.P. Mysore Geological Department.

The Concession recommended has been shown to the Medals of the Chief Cont. & Accts to that of the Police Dept. (The said agencies are in the Fd. of Police Dept. which is a Commercial Dept. (not to Prov. Br.).

The recommendation above may perhaps be likewise considered favourably. The Administrative Depts (Ctc Br.) may also be consulted.

In the case of the exemption to absent members may apply only to present incumbents the rule being strictly enforced in the case of future incumbents

THE SUBMISSION OF PROPOSALS FOR INSURANCE FROM THE INFERIOR SERVANTS.

Circular No.14, dated 12th April 1924.

To - The Head of Departments.

Sir,

I have the honour to state that the Secretary to the Mysore State Life Insurance Committee has brought to my notice that though the pay of the inferior servants was raised to Rs.10/- and above and they have been drawing the increased pay for a number of years, proposals for compulsory insurance have not in a large number of cases been received, from this class of persons and particularly from the Executive Subordinates of the Police Department.

It is therefore apprehended that Drawing Officers have not been paying sufficient attention to the Insurance Certificate printed at foot of the Establishment Pay Bills, Viz., "I certify on honour that I have satisfied myself that all officials permanently entertained and the Insured officials who have received permanent increase to their pay, during the month, have duly submitted their proposals for the first and further insurance or failing insurance have contributed to the State Provident Fund as required by rules."

I therefore request that necessary instructions may be issued to all the departmental officers to take necessary steps to direct all such permanent and pensionable employees eligible for insurance to submit proposals at once, failing which their pay may be stopped.

I have etc.,

Sd/ T. Satyaraj Chetty,
Comptroller.
